Product highlights

Color-coded connectors

Color coded connections make it easy to install your cable into the correct inputs and outputs

Easy grip

This non-slip grip makes connecting your components easy and ergonomically comfortable.

Color-coded inputs

Inputs are color coded to ensure correct connections.

Quality construction

Quality construction uses only top grade materials to create products of extended durability.

Nickel-plated connectors

Nickel-plated connectors establish a clean contact between the cable and connector for a reliable connection.
